

OYSTERS & SEAFOOD

Oysters were traditionally paired and enjoyed with Victorian London's dark porter stouts. Roasted malts give the porters distinctive dry, chocolate and coffee flavours that balance the saline, clean and sweet notes of our oysters perfectly. Or opt for a modern pairing; something sparkling. We recommend Ridgeview English Sparkling Wine or Awashizuku Sparkling Sake. See our drinks list or ask a server for the perfect match.

Our oysters are farmed only from A class sites and are thoroughly purified. Whilst we hope that you enjoy your oysters, we must remind you that drinking large quantities of alcohol and consuming raw seafood can increase the risk of food borne illness. Spirits should never be mixed with oysters. For allergen information please ask a member of staff.
